April 2023 Newsletter

When March goes on forever,
And April's twice as long,
Who gives a darn if spring has come,
As long as winter's gone.

~R.L. Ruziecka

Hello April, the year is flying by and the rain keeps coming down...Anyone need an ark? Noah guy!
OK I got the corny joke in early!

We had a good luncheon meeting in March at El Tapatio in Citrus Heights where they always give us good service and keep us happy. Everyone seems to be happy at El Tapatio. Members and guests in attendance were: Margaret Belcher, Yaeko Cooper, Lisa Denny and guest Romy who is visiting from France, Bob and Fran Deroschers, Maureen Dobert, Jeannine Hunt, Dianne Hobbs, Yukie Hoffman, Margie Iwamoto, Rosa LaBoeuf, Tosh Morris and her son Jessie, Suki Snyder, Jerri Thomas, Fatma and Jerry Thomason and Lee Woodward.

We voted to discontinue the monthly door prize drawings. Since this was a source of adding a few dollars to our treasury each month we discussed ideas for something to replace it. We decided to auction items that members donate from time to time. If you have a new item that you want to donate, bring it to a meeting. Jeannine Hunt has generously donated a beautiful rose pattern afghan (61"x 52") which we will raffle off at the April meeting. We began selling tickets at the March meeting and will continue to sell tickets until drawing time at the meeting. Tickets are \$1.00 each. If you want to sell some tickets before the April meeting let me know and I will try to get them to you. Members: don't forget to bring any tickets that you have sold or not sold, they need to be turned in at the meeting.

We will continue discussion of our December Christmas luncheon at the April meeting, we need to get a place reserved. Rosa has found that many reservations have already been booked. Finding an affordable location hasn't been easy. Please if you have a suggestion let Rosa know. Rosa could use some assistance with finding monthly locations too as she is dealing with some health issues. Don't hesitate to volunteer!
