Newsletter for March 2023

March winds and April showers bring forth May flowers, I for one can't wait for the warmer weather days . Here in the Sacramento area we are already enjoying many flowers and trees in bloom... the allergies not so much! I find it fascinating how quickly the landscape changes each year.

Our February luncheon meeting at Danielle's was attended by the following: Rosie Boyce, Edie Butler, Yaeko Cooper, Lisa Denny, Maureen Dobert, Jeannine and Cliff Hunt, Yukie Hoffman, Rosa LaBoeuf, Tosh Morris and her son, Suki Snyder, Jerri Thomas, Fatma and Jerry Thomason, and Lee Woodward. We exchanged Valentines and enjoyed some Valentine treats provided by Yaeko Cooper and Jerri Thomas. We exchanged a few ideas for future fund raisers. We haven't had any fund raisers in quite some time so we need to do something. I have a good idea that I will share at the March meeting.

Our events planner, Rosa La Boeuf needs suggestions for our 2023 Christmas luncheon since we voted not to go back to Cattlemen's this year. Please give Rosa any ideas you may want her to check out as she needs to get a place reserved as soon as possible.

The lucky door prize winners at the February meeting were: Lisa Denny, Rosa LaBoeuf, Jerri Thomas, Fatma Thomason and Lee Woodward. Also previous winners who owe, Margaret Belcher, Dianne Hobbs and Bob Desrochers. These winners will provide the door prizes for the March meeting. Minimum door prize is \$10.00.

A little St Patrick's Day advice and lore!

Beware of leprechauns and avoid them if you can...the pot of gold however should be investigated!

Universally thought to represent good fortune, the four leaf clover is known as "the luck of the Irish". But that's a bit of blarney!

In Irish tradition, the shamrock symbolizes the Holy Trinity: One leaf for the Father, one leaf for the Son and one for the Holy Spirit. When a fourth leaf is found on a shamrock it represents God's grace.

And finally the corn!

What do you get when you cross poison ivy with a four-leaf clover? A rash of good luck!

I take no credit for the above St Patrick's Day advice and lore!

I'm hoping to see all of you at El Tapatio for our March 8 luncheon meeting.
